### **Gregg Hauk Appointed as National Sales Director for Pro-Spray North America**

*Twenty-eight year industry veteran, Gregg Hauk, will oversee business strategy implementation and distribution for the United States and Canada.*

**Massillon, OH – February 17, 2009** – Pro-Spray® Automotive Finishes, a division of Alco Industries and a leader in European technology solventborne and waterborne refinishing products for the automotive aftermarket, announced the appointment of Gregg Hauk as the new Pro-Spray National Sales Director, North America.

“Gregg’s tenure in the automotive refinishing aftermarket spans nearly three decades,” said Tom Perry, president. “We believe in strategically aligning ourselves with quality, experienced people. Mr. Hauk’s professionalism, enthusiasm and strong background in automotive paint sales, marketing and management will benefit our customers as well as grow and strengthen our presence in North America.”

In his new role, Gregg will report directly to Pro-Spray President, Tom Perry, and will be responsible for the management, sales, profit development and overall business strategy implementation for the United States and Canada. All Pro-Spray sales personnel will report to Gregg.

Pro-Spray® European Automotive Finishes is a brand of U.S. Chemical & Plastics, An ALCO Industries Company. Developed and manufactured in England, and distributed in Europe and North America, the Pro-Spray product line delivers a comprehensive, versatile, and high performance waterborne and solvent intermix colour system supported by a full range of primers, clearcoats, hardeners, thinners and support products to body shops worldwide.
