PRO-SPRAY EUROPEAN AUTOMOTIVE FINISHES JOINS PBEPRO.COM

Massillon, OH – December 12, 2006 – Pro-Spray European Automotive Finishes announced today that they joined PBEPRO.com.

“PBEPRO is a growing industry information portal for automotive jobbers” said Tom Perry, vice president sales and marketing. “Members benefit by having immediate access to Pro-Spray European Automotive Finishes literature, material safety data sheets, technical data sheets and high resolution photos.”

The site, www.pbepro.com, serves as an online catalog for the paint & body industry. Members can obtain product information and live support on over 160 product lines. Effective December 2006, Pro-Spray European Automotive Finishes will be featured on the site.

“We strongly believe in the value of our alliance with PBEPRO”, said Pro-Spray business unit director, Tom Gardner. “Our joining is yet another way we show support to our customers and the paint & body industry.”

Pro-Spray is a wholly owned division of U.S. Chemical & Plastics, An ALCO Industries Company. Developed and manufactured in England and distributed in Europe and North America, the Pro-Spray product line delivers a comprehensive, versatile, and high performance intermix colour system supported by a full range of primers, clearcoats, hardeners, thinners and support products to collision shops worldwide.
